

## An Inspector Calls: Personal Learning Checklist

Rate your knowledge of the following areas to determine where to focus your revision.

- Green = I have a good understanding of this; I am confident that I remember it for the exam.
- Amber = I have some understanding but I could develop this; I may need to memorise this information.
- Red = I do not understand this; I need to focus my revision on this area.

Once you have rated your understanding, use the knowledge organisers, your notes and other revision resources to revise areas you have rated red or amber. Complete the PLC again or complete a practice paper to check your understanding
