

How to Access MyMaths on iPhone / iPad

Open the “App Store” and search for “Puffin Academy” and install the app.

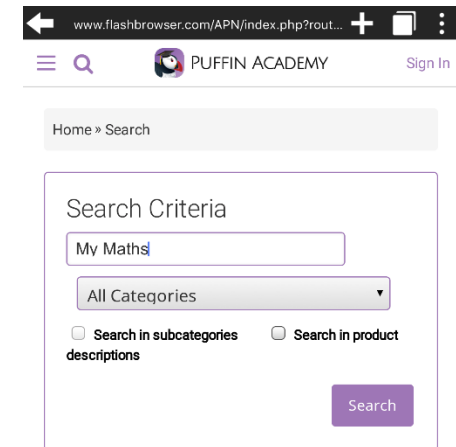

Open “Puffin Academy” and click the box in the top left

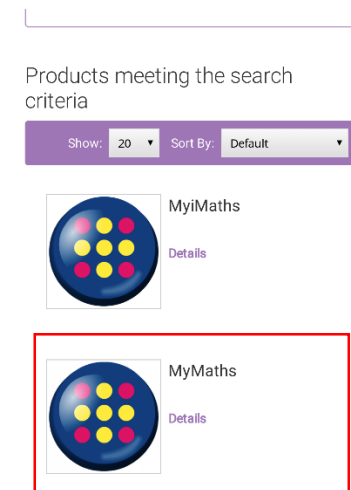

Click the Search button in the top left

Search for “My Maths” and click Search

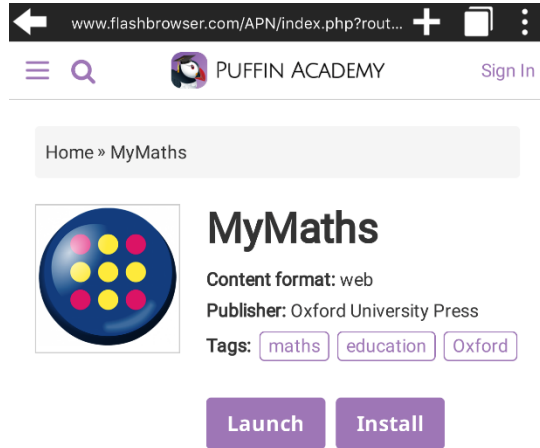

Click on the second one in the List

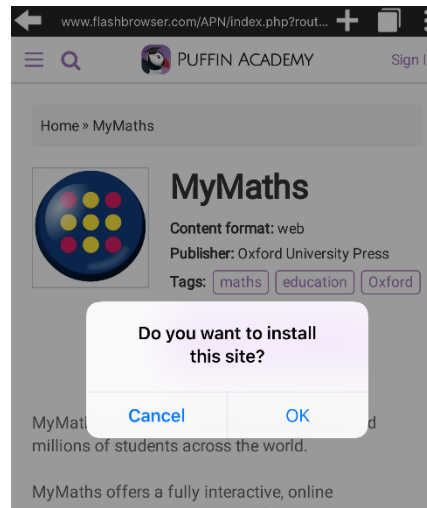

How to Access MyMaths on iPhone / iPad

Click "Install"

Tap "Ok"

Tap the My Maths icon, you can now login and use My Maths like you would in school.

I would recommend using your phone in Landscape mode to show more content.
