March 2019

Dear Parents,

REF: YEAR 9 OPTION CHOICES FOR SEPTEMBER 2019

As you are aware, this term your child will be making option choices for the subjects that they will study at examination level in Years 10 and 11. I hope that you found the Information Evening in December useful and that the taster sessions last term have helped to inform decisions further.

Year 9 Parents' and Options Evening will be held together on the same date to give you all the final information you need. It is essential that you and your child attend this evening to be held on **Monday, 11th March 2019, between 4.00 p.m. and 7.00 p.m.**

This evening will give you the opportunity to discuss particular subjects with your child's current teachers, as you would usually do on a Parents' Evening. However, you will also have the opportunity to speak to other staff about other options that your child would like to consider studying next year alongside their compulsory subjects of English Language, English Literature, Mathematics, Biology, Chemistry, Physics, RE and Games. This evening proves invaluable to parents and pupils when final choices have to be made.

There will be no appointment system, you may see teachers as and when you arrive and have the opportunity to discuss your child's progress in school. Each consultation should only last approximately five minutes, as some teachers will have in excess of 50 pupils to see on the evening.

Below is a table of the proposed option blocks for September 2019.

Block A	Block B	Block C
French	Geography	History
Spanish	History	Geography
Engineering	Engineering	Spanish
Sport	Sport	Drama
Health	Enterprise	Engineering
Enterprise	Art	Sport
Travel	Textiles	Digital Information Technology
		Enterprise
		Health
		Travel
		Music

"For the body does not consist of one member but of many" 1 Corinthians 12:14

HOPE

FORGIVENESS

COMPASSION

FRIENDSHIP

WISDOM

Please be aware that some subjects have a maximum capacity and therefore will be offered on a first come, first served basis. We are aware that some pupils would like to study a combination of subjects that is not necessarily available in the option blocks. However please just note your 3 preferred options in order of priority (which we will endeavour to make possible) with 2 reserve choices on the attached options form (a copy of which will be distributed in form time). Once all option forms have been returned, if there are any issues, we will discuss this with your child. You will be informed in writing of your child's final option choices.

If you have any queries regarding the options form, please see myself, Mr Waddon or Mrs Cowin who will be based in the Heart on the evening of the 11th March 2019. You will be able to hand your completed options forms to us here on the evening. Mr Targett will also be available on the evening to advise on career pathways and relevant subject choices. If your child would like to discuss their option choices and career opportunities in more depth, please speak to Mrs Sadler who can arrange an interview with Mr Targett.

I would like to reiterate the importance of both you and your child attending this evening, as it will prove invaluable in making the best possible decision for your child. May I also remind you to register your attendance in the Reception area on arrival to comply with Fire Regulations.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'D Jenkins', with a stylized flourish at the end.

Mrs Danielle Jenkins
Deputy Headteacher
