

Year 7 Homework

Instructions: Follow the numbered week. Learn the keywords and the definitions. Hand in your homework on time.

Week	Task																				
1	Create a title subject page for music – this can be about anything relating to music, it should be colourful and eye-catching and show what you like about music. Eg. Your favourite band, drawings of instruments, styles of music / bands...the only limitation is your imagination!																				
3	Learn the vocabulary listed below, and the definition, you will need to be able to use it correctly in a sentence.																				
	<table border="1"><thead><tr><th>Word</th><th>Definition</th></tr></thead><tbody><tr><td>pitch</td><td>the pitch of a note means how high or low the note is</td></tr><tr><td>duration</td><td>duration is the length of time that a note is sounded</td></tr><tr><td>dynamics</td><td>volume of a sound or note</td></tr><tr><td>tempo</td><td>timing of music, or the speed at which a piece of music is played</td></tr><tr><td>timbre</td><td>timbre is what makes a particular musical sound have a different sound from another</td></tr><tr><td>texture</td><td>texture is how the melodic, rhythmic, and harmonic materials are combined in a composition, thus determining the overall quality of the sound in a piece</td></tr><tr><td>structure</td><td>means the way the piece is built</td></tr><tr><td>notation</td><td>musical notation is any system used to visually represent aurally perceived music played with instruments or sung by the human voice through the use of written, printed, or otherwise-produced symbols</td></tr><tr><td>Task</td><td></td></tr></tbody></table>	Word	Definition	pitch	the pitch of a note means how high or low the note is	duration	duration is the length of time that a note is sounded	dynamics	volume of a sound or note	tempo	timing of music , or the speed at which a piece of music is played	timbre	timbre is what makes a particular musical sound have a different sound from another	texture	texture is how the melodic, rhythmic, and harmonic materials are combined in a composition, thus determining the overall quality of the sound in a piece	structure	means the way the piece is built	notation	musical notation is any system used to visually represent aurally perceived music played with instruments or sung by the human voice through the use of written, printed, or otherwise-produced symbols	Task	
Word	Definition																				
pitch	the pitch of a note means how high or low the note is																				
duration	duration is the length of time that a note is sounded																				
dynamics	volume of a sound or note																				
tempo	timing of music , or the speed at which a piece of music is played																				
timbre	timbre is what makes a particular musical sound have a different sound from another																				
texture	texture is how the melodic, rhythmic, and harmonic materials are combined in a composition, thus determining the overall quality of the sound in a piece																				
structure	means the way the piece is built																				
notation	musical notation is any system used to visually represent aurally perceived music played with instruments or sung by the human voice through the use of written, printed, or otherwise-produced symbols																				
Task																					
5	Research a career in music, (eg. Performer, manager, agent, stylist); write a paragraph to explain what the job you have chosen entails and why you have chosen that particular job.
